1. Heard.

2. The claim of the petitioner is that her application for allotment of rationing shop was rejected since she could not show the premises where she intends to open the rationing shop. It is for the petitioner to submit the application showing the particulars of the premises. She also could not show the premises of the rationing shop inspite of the letter of the concerned officer and on that ground the application has been rejected. No interference is called for. Hence, petition is rejected.
